Covid19 Notes

The 4RK9s will follow current Iowa COVID-19 and CDC guidelines in place at the time of the trial. If there are any changes prior to closing, we will let you know how those changes affect the trial.

If you have specific questions, please email the **Event Chair** – Carol Kendle, cjkendle57@gmail.com

- 1) **Sign and return the Covid19 waiver with your entry.**
- 2) Masks are not required inside the building if you are fully vaccinated (honor system). If you are not fully vaccinated, you must wear a mask that covers the nose and mouth all the time you are in the building including showing your dog. If there is a change in the Mask requirements because of CDC and State of Iowa recommendations, we will inform you prior to the start of the trial.
- 3) Exhibitors must crate outside. Those people working at the trial may crate inside but only while they are working.
- 4) Only people exhibiting in the current class will be allowed in the main room. (Access to the restrooms will be available throughout the trial. The restrooms will be cleaned periodically throughout the trial.)
- 5) Start times will be assigned to the classes once the trial has closed. Exhibitors will be given time to set up inside the building before each class and may leave their chairs and crates inside for the trial duration.
- 6) We will not have a food table or raffle table.
- 7) The check-in table will have an envelope with your name on it, on the first day you are showing. It will contain your exhibitor numbers and your course maps for the day. You may take this envelope. If you are showing in rally, there will be a new envelope each day with your maps.
- 8) Your scoresheets and ribbons will be placed in an envelope with your armband number on it. The envelopes will be hung near the check-in table. Please leave this envelope so it can be reused.
- 9) Our judges may choose to implement any or all of the UKC allowed substitutions:

For all exercises in Obedience:

- The use of cones may be used in place of people for the Figure 8 exercise.
- For the Greeting exercise, judges and exhibitors are not required to shake hands and should be no closer than six feet from one another.
- Walking stewards on the heeling and drop on recall exercise must be the minimum 6 distance from the handler, dog, and/or judge when walking the required pattern.
- Tongs should be used in any class where a dumbbell or article is required to give to the handler. This happens in both the Open and Utility classes. Designate one specific steward for exercises that require the use of a dumbbell or article.
- In the Utility class, the steward will use tongs to handle the gloves, and all articles for the scent discrimination exercise. Except for the article that the handler takes themselves, the remaining articles are not to be touched or scented by either the judge or steward but will remain unscented.
- Designate specific stewards to handle the jumps when moving them into and out of the ring.

For Obedience and Rally:

For all classes that require the leash to be removed from the dog, the handler may carry the leash with them instead of surrendering it to the steward or judge in the following manner:

1. The leash may be hung around the body in such a way that the clip that attaches to the dog is resting on the side of the handler's body that is opposite the dog.
2. The leash may be carried either around the waist or over the shoulder in a left to right fashion across the body.
3. The leash may be around the neck, go under the handlers arms and clipped behind the back.

4. The clip should never be in the front position where the dog could use it as a help to line up for a straight front.
