What is 'a la carte' pricing and how do I enter?

To encourage entry of all dogs in your household – young, old and everyone in between – we offer pricing by the run rather than by the package.

All runs that you are paying for (all dogs from your household entered) are totaled to find the 'per run' price. This way an older dog that really enjoys and is still capable of a few tunnelers or weavers runs can enter at the same price as your 'package' dog. Or maybe you have a young dog not quite ready for weaves but can do jumpers, touch and go and tunnelers. Total that dog's runs into your household total and bring the 'per run' cost down. Let everyone in your house that can still safely enjoy the game do just that. This way you don't have to feel guilty about leaving them home!

To enter:

1. Use one entry form per dog.
2. Total all the runs entered for all dogs.
3. Find the 'per run' price range. Multiply the total runs for all dogs entered, by the price range. This is the total cost of entry.

1-6 runs = \$12 per run

7-11 runs = \$11.25 per run

12-17 runs = \$10.50 per run

18 + runs = \$10 per run

Information for Handlers:

- Dogs must be registered and have a valid registration number before entries will be accepted. Pending numbers are no longer accepted. You can register your dog online at www.nadac.com and receive a registration number immediately.
- Safety shall always be the foremost consideration in actions and conduct by dogs and handlers at all times.
- All healthy, trained dogs over eighteen (18) months of age are eligible to compete in NADAC agility trials. Bitches in heat, lame or blind dogs are ineligible for entry, as is any dog with a deformity which may cause a judge to not be able to reasonably assess the dog's ability to function and perform agility obstacles safely, and in a manner that is in the best interest, health and welfare of the dog.
- Dogs MUST be registered with NADAC to compete. All dogs must have a NADAC Registration Number when entering this event.
- Any dog that demonstrates aggression towards any person or any dog whether inside the ring or outside the ring, may be excused from the agility trial. Any dog which the judge feels is not in enough control to perform all obstacles in a safe manner may be excused from the agility trial.
- The trial Committee may refuse any entry on the basis expressly provided through NADAC rules and regulations or guidelines established by NADAC. Anyone currently not in good standing with NADAC will not be allowed entry into the trial.
- Returned checks do not constitute a valid entry fee. There will be a \$25 service charge for returned checks.
- There shall be no refunds for entries withdrawn after the closing date, or in the event that the dog is absent, disqualified, excused by a judge or the club, or barred from competition by action of the Trial Committee. In addition, no entry fees will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, an act of God, public emergency, act of public enemy, strike, or any other cause beyond the control of the Club.
- A refund up to 75% will be made if a Veterinarian's certificate of proof of injury or illness of the dog or a bitch in heat is submitted to the Trial Secretary PRIOR TO CHECK IN ON October 6, 2012.
- All exhibitors are responsible for the behavior of their dog(s) and/or children. Any exhibitor whose dog(s) and/or children engage in disruptive behavior may, at the discretion of the Trial Committee, be asked to leave the trial site. In such a case no refund of entries will be made.
- The Club, its agents or assigns will not be responsible for the loss of damage to any dog exhibited, or for the possessions of any exhibitor whether the result was by accident or any other cause. It is distinctly understood that every dog at this event is in the care and custody and control of his owner or handler during the entire time the dog is on the show premises.
- Dogs must be on leash anywhere on the show grounds property, or in crates when not competing in the ring. NO dogs may be tied to fences, cars, trees or other obstacles at any time.
- Placement ribbons will be awarded to first through fourth places in all jump heights in all classes except the Chances class, which is a pass/fail class. Ribbons will be awarded for those achieving a qualifying score.
- Closing Date and Move-ups: Closing date for entries is Oct 1, 2012. After this time move-ups for entries received prior to close will be accepted in writing via mail or e-mail until 6:00 p.m. October 3, 2012. There will be no same day move-ups; however, if you title on Saturday, you may move up the next level on Sunday. Move-up forms will be available at our hospitality table (or see show secretary). Completed forms must be in the designated place at the end of the day Saturday.
- Final Confirmations will be emailed out the week of October 1. Please read your confirmations carefully and notify the trial secretary (pesekle@mchsi.com) or by phone (319-560-8393) if there are any corrections that need to be made.
- Running order is determined alphabetically and by height in jumping classes. Handlers with more than one dog in a class will be separated if possible.
- All dogs for a given class should be present at ring side at least one-half hour prior to the start of the scheduled classes for walk through and briefing. Any dog and handler not present when they are called will be ineligible to run.
- In order to participate in the trial all entered dogs must be up to date on vaccinations as required by owner's veterinarian. By entering the exhibitor acknowledges that dogs are up to date.

Veteran Handler Classes

Non-Jumping Classes—Veteran or Disabled Handler. Handlers who are 60 years or older, or who have a disability that restricts mobility, may choose to enter the non-jumping classes as a Veteran Handler and receive 10% more standard course time. This option is for Veteran/Disabled handlers in the non-jumping classes only.

The Veteran/Disabled Handler division is designed for handlers who, due to age or impairment, are mobility limited and need extra time to guide their canine partners through an agility course.

When entering as a Veteran/Disabled Handler, you must enter all dogs in all classes for the entire trial in this Division and must jump 4" lower than your Proficient, Standard Division jump height requires. In the non-jumping classes, dogs will be scored and placed with their Standard Division jump height.

Proficient/Skilled Categories: Each class will be split into two categories, proficient and skilled. Dogs in the skilled category MUST jump 4" lower than their Standard, Proficient jump height (NO dog may jump less than 4").

IMPORTANT. Please check your dog's NADAC registration number on your trial confirmation as soon as you receive it; also, please check the copy of the results posted at the trial. You should report any errors to the Trial Secretary immediately.

NADAC records trial results as they are submitted by the host clubs/groups. The individual trial results submitted by the club are uploaded to the www.NADACForum.com within two weeks after the NADAC office receives them from the club. Please accept the responsibility to review those results, and check that your registration number and qualifying points, as reported by the club, are correct. You can join the Forum by going to www.NADACForum.com and submitting your request. If you find an error in the reporting of your dog's qualifying points or registration number, please contact the host club. The host club is responsible for correcting any errors and informing NADAC.

Levels. Points earned at a higher level of a class, prior to the completion of the lower level title, will not be recorded by NADAC for future use. If a dog earns points in a level of a class that they are not eligible to title in, those points will not be added to the dog's records.
